

GENERAL INFORMATION

The deadline for abstracts submission in Serbian and English is **30th June 2010**. The abstracts should be sent to: daniprevmed@izjz-nis.org.rs. In your application form you should emphasize the type of the presentation (poster or oral). The abstracts sent after the deadline will not be accepted.

The scientific committee will do the recension and choose the abstracts for the oral presentation. The information on accepted abstracts will be sent to the authors until 15th July 2010.

In the application letter plead the regular mail address of the author, contact phone and e-mail address.

One author can be represented in three papers, out of them in two as the first one. Select the topic where your paper belongs to, and in the e-mail subject indicate the name of the first author.

Under the title, note the author's name and surname and surnames and initials of other authors, as well as the institutions where they are employed.

The abstract should contain purpose, material and methodology of the work, the most important results of the survey, conclusion, and up to 5 keywords.

Abstract text should contain up to 200 words. Use Times New Roman, Latin alphabet, font size 12. The poster size should be 70 x 100 cm. For the oral presentation use Microsoft Office PowerPoint 2003.

The registration fee is 70€ (counted in dinars). The bank account where the payment should be made is 840-605667-34, Institute of Public Health, with note 'participation in Days of Preventive Medicine'. The accommodation info is published on the website of the Institute.
